UNITED STATES DISTRICT JUDGE LESLEY WELLS

This case is before the Court on a Report and Recommendation filed by United States Magistrate Judge Patricia A. Hemann regarding the change of plea hearing and plea agreement of David Walker which was referred to the Magistrate Judge with the consent of the parties.

On 16 March 2005, the government filed a one-count indictment against David Walker for conspiracy to possess with the intent to distribute and distribution of a controlled substance in violation of 21 U.S.C. § 846. On 14 April 2005, a hearing was held in which David Walker entered a plea of not guilty before Magistrate Judge William H. Baughman, Jr. On 22 May 2006, Magistrate Judge Patricia A. Hemann received David Walker's plea of guilty and issued a Report and Recommendation ("R&R") concerning whether the plea should be accepted and a finding of guilty entered

Neither party submitted objections to the Magistrate Judge's R&R in the ten days after it was issued.

On de novo review of the record, the Magistrate Judge's R&R is adopted. David Walker is found to be competent to enter a plea. He understands his constitutional rights. He is aware of the charges and of the consequences of entering a plea. There is an adequate factual basis for the plea. The Court finds the plea was entered knowingly, intelligently, and voluntarily. The plea agreement is approved.

Therefore, David Walker is adjudged guilty of Count One in violation of 21 U.S.C. § 846.

Sentencing will be:
